2024 Youth Video Contest

Student Entry Form

Prior to submission: Contestants must read all the rules and complete all appropriate sections of the official entry form, including all required signatures and make sure that any applicable copyright permissions are obtained and attached to their entry.

Video submissions must be labeled as described below and accompanied by a completed official entry form to be considered a valid entry. The contest organizers are not responsible for entries which are delayed, lost, misdirected, incomplete, damaged or destroyed. Any entry that is tampered with, unreadable or mutilated will be disqualified.

In the case where contestants provide the contest with a link to their video submission on a publicly accessed site, contestants are solely responsible for making sure the link is a valid and takes the contest organizers directly to their submission, that the link remains valid for the duration of the contest and that the contest organizers can download the video from where the contestant has posted their video. Entries not meeting these criteria will be disqualified.

Video Submission: It is the sole responsibility of the contestant to make sure their video submission is received by the contest closing date, **Wednesday, April 3, 2024, at 11:59 p.m., Atlantic Time.**

Contestants can submit their video and entry form in one of two ways, electronically or by mail. Please **do not** use both, or a combination of the two. In other words, do not **email** your entry form and **mail** your video.

Every video entry must be accompanied by the official contest entry form. Entries must be submitted to the address indicated below:

Electronically: Email your contest entry form, the title of your video and the direct link to video on a publicly accessed site to ecarver@wcb.pe.ca

By mail: The video entry must be clearly labeled with your video's title, your name, mailing address and telephone number and be accompanied by the fully completed video contest entry form, and sent to:
