EMPLOYERS

Do you know what are your health and safety responsibilities?

- **Provide** a safe and healthy workplace.
- **Make sure** that workers are adequately informed, instructed, trained and supervised.
- **Make sure** that equipment and materials are properly used and maintained to protect workers.
- **Take action** when a worker or supervisor tells you about a potentially hazardous situation.
- **Establish** and **maintain** an occupational health and safety program and **written** health and safety policy where required.
- **Support** the safety committee, safety representative, and workers in their health and safety activities.
- **Report** serious incidents to the WCB of PEI.
