PLEASE INDICATE YOUR CHOICE WITH AN 'X':

_____ I do hereby elect to claim compensation benefits under Part I of the *Workers Compensation Act (the "Act")* for this accident. I understand this election subrogates and transfers any right of action or claim I may have against the Third Party to the Workers Compensation Board of Prince Edward Island (the "Board"). I have not commenced any action, made any claim, or received any amount in settlement from the Third Party in respect of the accident.

_____ I do hereby elect to bring an action against the Third Party. I understand that I must retain my own lawyer and the lawyer's legal fees are my own responsibility. If I recover an amount from the Third Party which is less than the amount of compensation that would have been awarded to me under Part I of the Act, I understand that the Board may, at its discretion, approve compensation under subsection 11(2.1) in an amount not exceeding the difference between (a) the amount of compensation that would have been awarded under Part I of the Act and (b) an amount that is, in the opinion of the Board, a reasonable amount of settlement or recovery for the right of action. However, I understand that no amount of compensation will be approved by the Board unless the Board gave prior written approval to the settlement of the right of action.
