

CAPTAINS

Captains who employ or contract workers on a fishing vessel have responsibilities under the *Occupational Health and Safety Act*.

Do you know your health and safety responsibilities?

- Provide a safe and healthy workplace. A fishing vessel is considered a workplace.
- Ensure that workers receive safety information, instruction, training and supervision.
- Ensure that equipment is guarded and that tools and personal protective equipment are properly used and maintained to protect workers.
- Support safety activities and cooperate with safety officials.
- Report serious incidents by calling the Occupational Health & Safety 24 hour Emergency Line at (902) 628-7513.
- Conduct hazard assessments and prevent exposing workers to hazards.
